

Summer 2015 Oldsmobile Outdoor Club Newsletter

I hope everyone is starting to enjoy our beautiful Michigan spring. Hopefully you are finding time to get outside and do some Turkey hunting, Walleye fishing, Morel hunting, or anything to get outside and enjoy the beautiful natural resources this great state has to offer.

A big thank you from the board of directors and myself for an AWESOME turn-out at an exceptionally cold Winterfest up in Grayling this past February. This great organization could never function without the fine people like you that support the club the way you do. We truly appreciate your support and look forward to our 2016 Winterfest (with hopefully slightly warmer temps)!

Also, a "Thank You" to the local businesses in Grayling/Houghton Lake area and the Lansing area for their continued support of our event. A special "Thank You" to our host hotel, Ramada of Grayling, for hosting us. We look forward to coming back again in 2016.

Make sure that your bicycle drawing forms have been submitted before June 17. Call Mike Boedecker or Mike Bokovoy to submit your child/members name. Winner will be drawn that evening at the monthly OOC board meeting.

Hopefully you can join us for some of our summer events that we have through the club. Check the "Camping" section on our website to find details on our monthly club camping outing.

On June 13, OOC members will assist the Houghton Lake Lake Association in their summer Kids Days event by hosting a kids casting contest. Visit the Lake Association website for more details.

On July 18th, OOC members will be assisting the Mi-DNR/Sleepy Hollow State Park in their outdoor recreation kid's event. Event runs from 10:00am-2:00pm. Contact Sleepy Hollow State Park for more information.

UAW Local 602 will be hosting our annual hunter safety course on the first weekend of August. You must be pre-registered to attend. You can register by contacting Local 602 starting the first part of July.

Please help us in recruiting new members to our club. We feel strongly in continuing the strength and health of this club as we near our 75th year in existence!

Yours in the Out of Doors

Mike Bokovoy
